

Kelly Favre, M.D., F.A.C.S. - Patient Testimonials

Message from Dr. Kelly Favre

"I have kept and cherish every sentiment from my patients. To my former patients, it has been my great privilege to care for you both surgically and as people. To my future patients, I know it can be difficult to put your health and trust in someone you're about to meet. Please know I will provide the highest level of surgical care, also treating you like one of my family members. Take the [patient comments](#) below as testimonials to my level of care, skill, compassion, and experience."

Patient Testimonials –

"Dr. Kelly Favre is at the top of my list as an incredible surgeon and a lovely person... I had high anxiety until I met Dr. Favre... so thankful to Dr. Favre for making my first experience with surgery a complete success!!" - Patricia D.

"Dr. Favre was friendly and approachable... she responded to my sense of urgency...my surgery was a complete success..." - Beverly P.

"Dr. Favre's bedside manner set her apart from any doctor I have had experience with...She has the unusual ability to immediately set the patient at ease in their 'comfort zone'. Dr. Favre's reassurance of the procedure began with the first meeting we had, and concluded with the last... the finest I have ever had with any doctor" – Albert A.

"I was most fortunate to have Dr. Favre as my surgeon. From the first moment I saw her, She exuded confidence and interest in me as a person... Following surgery, on Christmas Eve, she brought me cookies she baked with her children along with a decorative jewelry gift... so unexpected and uplifting." – Patricia K.

"Thank you for taking such wonderful care of me during my breast cancer episode. You are not only an excellent surgeon, but a kind and empathetic person. You helped me in so many ways." – Sue A.
